I knew Sherie from first grade through and after high school. Sherie always had such a sweet spirit and I don't think she ever met a stranger. I know her family will certainly miss her. I will be lifting her family up in prayer in the days to come. Rest in Peace sweet friend.

Sherie was my sister and a mother to me when mine would not. She always supported me with encouragement in any endeavor I attempted and posted a quick I told you so when all went wrong. She never forgot to say happy birthday or to remember to thank me for my service on veterans day. Even this past month when we had bad storms, she checked to see if we were ok. Sherie always congratulated any child or grandchild of mine who accomplished something. Sherie was a kind hearted, carrying person to all. She now walks the streets of Gold arm in arm with her Grandmother she loves so much. I will miss her dearly.
