How it works:

- ☆ Use your reading log to keep track of how many hours you are reading.
- ☆ After reading for 5 hours, you are eligible to check in at the front desk to pick up a prize. (You must have your reading log with you in order to claim your prize)
- ☆ Prize options include books, candy bars, Taco Bell, McDonalds, Culver's, Teen bucks (library made dollars that can be used towards paying fines), and other donated prizes.
- ☆ You can check in for a prize up to 5 times throughout the program for a total of 25 hours read.
- ☆ Once you reach 25 hours/pick up your 5th and final prize, you are entered into the end of program drawing to win a \$25 amazon gift card.

Keep Reading! More Reading More Entries!
